

# Student Rights and Obligations

## of the Interdepartmental Postgraduate Studies Programme

OF THE DEPARTMENTS OF ELECTRICAL AND COMPUTER ENGINEERING AND COMPUTER TECHNOLOGY, COMPUTER ENGINEERING AND INFORMATION TECHNOLOGY OF THE POLYTECHNIC SCHOOL OF THE UNIVERSITY OF PATRAS

### **Master in Human-Computer Interaction (HCI Master)**

## Rights of Postgraduate Students

Postgraduate students have all the rights and benefits provided for first cycle students, except for the right to free textbooks.

### **1 General**

Postgraduate students who have no other medical and hospital care are entitled to full medical and hospital care in the National Health Care System with the relevant costs covered by the National Social Insurance Institution.

### **2 Student scholarships**

The relevant Postgraduate Regulations may provide for the awarding of scholarships or excellence awards to postgraduate students, as decided by the NEC. Scholarships shall be awarded on the basis of academic, objective criteria (indicatively: for students in regular attendance, average grade point average of the previous semester) or service provision and shall be included in the approved budget of the MSc. The conditions of award, obligations and rights of the scholarship holders shall be defined by a decision of the Master's Committee.

## Obligations of Postgraduate Students

Postgraduate students are required to comply with all the regulations of the University of Patras as defined in the Internal Regulations of the University.

Also, before the award of the MSc, postgraduate students must hand in/return to the Secretariat of the Department of Electrical Engineering and Computer Technology the benefits (e.g., academic ID card, magnetic card, etc.) that were given to them upon enrolment in the MSc.
